b. Streaming Licenses

i. Subject to the restrictions set forth herein, New Day Films grants Licensee a limited, non-exclusive license for the Term (defined at Section 2(b)(ii) and 2(b)(iii) below) to stream, display and exhibit the Streamed Content for Classroom Use and in other related venues for the Educational Use of Authorized Users. Any other use of the Streamed Content must be licensed through special arrangement with the filmmaker. The Continuing Service Fee shall entitle Licensee and its authorized users to receive unlimited online access to the Streamed Content, plus any included updates, on a proprietary platform.

ii. Term – Limited License. If You select a limited license option when placing your order, the term of this License Agreement with respect to Streamed Content shall be concurrent with the length of the license chosen (i.e. 3-day, 14-day, 1-year, 3-year, life of file, or other agreed-upon term). Upon expiration, non-renewal, or any termination of the license, all Licensee's rights to use the Content shall cease. License period commences at the time the license is purchased.

iii. Term – Life of File License. If You select a life of file license when ordering, the term of this License Agreement with respect to the Streamed Content and any included updates shall be life of file and may only be revoked if Licensee materially breaches this Agreement, or if the Streamed Content is withdrawn due to errors or third party claims (including claims of infringement). If You select a life of file license and lose the ability to access the Streamed Content online through New Day Films for any other reason (e.g., if New Day Films discontinues online access services), or if the Streamed Content is otherwise eligible for local loading, Licensee may obtain digital copies upon certifying that You will secure and restrict use of the

All use of the delivered materials shall continue to be subject to the terms of this Agreement, and file transfer costs, if any, shall be Licensee's responsibility.

iv. All other rights not expressly granted are reserved by New Day Films. Streamed Content may not be rented, loaned, sub-leased, re-sold or sub-licensed to others. c. In House/Digital Site License

i. Subject to the restrictions set forth herein, licenses for educational institutions to host and stream content online through their password-protected server may only be shared within any single, geographically unified campus, and with distance-learning classes and students who are enrolled by the Licensee for study conducted through that campus. Sharing of streamed New Day Films content between two or more campuses, or with other institutions, or with individuals, classes or groups who are not specifically affiliated through employment or enrollment with the licensee, is not permitted without the express authorization of New Day Films.

ii. The term of any In House/Digital Site license shall be concurrent with the applicable term set forth in your purchase order from New Day Films. Upon expiration, non-renewal, or any termination of the In House/Digital Site license, all of Licensee's rights to use the Content shall cease. All Content in all formats must be erased, deleted, or destroyed upon expiration or any termination of this Agreement.
